

How do I show my work at PCCA?

PCCA's Exhibition Committee meets periodically throughout the year to review submissions for our Main and First Floor Galleries.

- **Main Gallery** exhibits are usually group shows. Occasionally, the Main Gallery will feature a large solo exhibition.
- **First Floor Gallery** exhibits are smaller solo shows, featuring a body of work by an emerging or more established artist. The First Floor Gallery is usually reserved for two-dimensional works of small to moderate size.

The exhibition committee will review all submissions to determine which gallery is most appropriate for an artist's work. To have your work considered for either our Main or First Floor Galleries, submit the following materials to:

Paint Creek Center for the Arts
407 Pine Street
Rochester, MI 48307
ATTN: Artist Submissions

- Letter of interest indicating your wish to show your work in either gallery
- Images of work: 10 – 20 jpegs on CD
- Jpegs should be 200-400 DPI, sized to no larger than 5 inches as longest dimension
- It is helpful to include an index print with thumbnail images labeled with title, dimensions, medium and price for each piece.
- Up-to-date resume AND brief Artist Statement
- * CDs will not be returned

At this time we do not consider proposals for pre-selected group shows, or shows organized by outside curators. Artists who wish to exhibit their work as a group must submit individual entries, as outlined above. In the event that we decide to work with an outside curator, those arrangements will be initiated by the Exhibition Committee.

Artists interested in receiving Calls for Entries for upcoming exhibits may contact mfortuna@pccart.org. It is most convenient to contact artists via e-mail.
