For more than 55 years the Art & Apples Festival® has transformed the 30-acre Rochester Municipal Park into one of the nation's highest ranking fine art festivals by showcasing over 200 fine artists from across the country. The Art & Apples Festival® is a program of Paint Creek Center for the Arts (PCCA), a regional nonprofit art center located in downtown Rochester offering educational art and craft classes, camps and workshops, free art exhibitions, a year-round Art Market featuring the work of Michigan artists, traveling Art Anywhere programming, and more.

Roughly 65% of Paint Creek Center for the Arts' yearly operating budget is raised through the Art & Apples Festival®.
